New & Newish Faculty Check-In & Grading Party

Tuesday, December 17 10a – 1pm Red Room (NAB 2034)

With the semester wrapping up, and the stacks of papers and exams piling up, take a break from grading to drop-in and share a warm beverage with some friendly faces! Escape the mounting piles of paper in your office, or bring a stack of grading with you, or some games and coloring and or puzzles, and some ideas for roundtables, resources, and support that might be helpful in the coming semester!

Come by just for coffee-and-a-hello or stay for a while. Newish faculty are especially encouraged to come and check in, but **if you're reading this, you are invited!**
