Refreshments will be served, compliments of UUP!

We are pleased to present a workshop for all faculty on preparing reappointment, promotion, tenure and other files. We'll walk you through the process step by step, show you files, answer questions, and feed you refreshments, compliments of UUP! We encourage those of you faced with the daunting task of assembling or updating a file to come with your questions and share experiences with others in the same situation in addition to learning some of the successful techniques used by your colleagues in the past.

You are welcome to bring along your file for us to take a look at.

All are welcome; you need not be coming up this year.
